## *All about Your Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Jack of Clubs Person

The Mentally Creative Card

Creative, dishonest, or a mixture of both? As we can imagine, those who are the most creative can also be the most dishonest and vice versa. Here is a card of mental and financial creativity and these people are no lazy bones. Their brilliant minds are far ahead of the common person and society. They are the people of the Aquarian Age, being neither entirely male nor female. They are progressive and on the cutting edge of the evolution of our society and world.

As members of the royal family they dislike pettiness and tend to be somewhat impatient with the failings of others. They need respect and a position that allows their brilliant minds free reign to create and explore. They are never at a loss for ideas, some of which will bring them huge financial returns. On the negative side, the Jack of Clubs can be irresponsible and in some cases, dishonest. They can see things from so many levels that nothing is really 'wrong' - it is just another way of looking at things. And they can make up a story so fast that they can explain away practically anything. They don't get away with much in that regard though. Saturn's hand always reminds them of the boundaries that keep them balanced and fair. The trouble comes when they start believing their own stories, departing from reality a little too far and creating a lot of hardship before getting back on course.

They are essentially good and giving people. Even though they are argumentative at times, they are loving and friendly to all they meet.

Some of the Jack of Clubs Issues Concerning Relationships

Such a strong and fixed mental approach to life can have its share of challenges for the Jack of Clubs. Mental approaches don't always work in the realms of love. However, these people do not have particularly bad karma in this area. They need someone who is their friend first, and who will allow them some freedom to do and be themselves. If they have this, they are faithful and devoted. The men are excellent lovers and the women excellent companions.

They often have to contend with the ill health of a loved one, or their own health problems that are rooted in some emotional conflict. In most cases their health issues are related to some emotional cause, whether it be family or lover related.

## *All about Your Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Four of Hearts as Your Planetary Ruler

This is called the family card and represents a foundation of love and all the good things associated with home and family. These things are very important to you and you probably go out of your way to make sure that you have a circle of close friends that you can count on, and that your home is comfortable and enjoyable. As a matter of fact, you may have special skills that relate to food, beauty or home life in other areas. You are probably a good cook as well. In any case, you will find ways to create security among your inner circle of family and friends. You are a protector and helper to those you love and you hate to see any of them leave. Others feel nurtured in your presence though you must watch out to not smother them at times. Family life can bring you much joy, whether that comes by marriage, or just by creating your own family among those you love the most.

This this is a Diamonds, the losses or completions will relate to finances and the way we make money. Though you may not like it, you could experience repeating financial losses during this period. However, you must keep in mind that you can only lose what you have. You will not lose any more than you have and you will probably have plenty of resources during this time.*

### Your Thirteen-Year Seven of Spades Period

Your 13-Year  
Venus Card

This period of your life is a highly spiritual period. Spiritual periods can be tough on the mundane level and highly successful on the spiritual level. Actually we have success in both areas but we must take a spiritual approach in order to do so. The challenges presented to you during this time will usually be related to health, work and the way you live your life. It is the things you do each day that will be called into question. Because this card sits in the Jupiter column of the Grand Solar Spread, there are definite blessings to be had. One must have faith to proceed into work that benefits others in order to access these blessings most. This is a very powerful time of your life when the lessons you learn will shape the rest of your life permanently.

On one hand you could find a mission for your life that you want to fulfill on behalf of humanity. You have the power now to accomplish this. But on the other hand you may be apparently forced to deal with health, work or lifestyle challenges that consume most of your time and energy. For those who are already on the spiritual path, this can be a period of great power and success. All it takes is gratitude and faith.

The underlying King of Diamonds may represent someone who will play an important role in your life at this time. Whoever they are, they will be powerful and most likely, successful in business and finance. You may even find yourself as a business owner and this card guarantees a certain amount of success.

Jupiter's blessings are upon you now but you cannot have fears or negative lifestyle expressions. If you are ready to move into the New Age of enlightenment, now is the time!

## *The Cards In Your Mars 13-Year Period*

### *Some General Information About the Mars 13-Year Period Cards*

*Your 13-Year  
Mars Period is from  
1/29/1980 till 1/29/1993*

*The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.*

*Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.*

*The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.*

### *Your Thirteen-Year Two of Clubs Period*

*Your 13-Year  
Mars Card*

*The Two of Clubs means conversation, communication, sharing ideas and cooperation on a communication level. However, it is also known as the card of fear and arguing. When it is present you may feel compelled to talk to others and to establish lines of communication. And this is the card that is governing this 13-year period of your life.*

*Relationships will take on a great deal of importance in your life. And the value of conversation with those of like mind will be something that you both experience and enjoy on a deep level. You could even marry someone with whom you share these qualities. You are also likely to enjoy a very fine level of intelligence and may receive honors for things you do with your mind. Perhaps you will write a book or accomplish other mental tasks in which you are honored.*

*However, there is another hidden influence of great importance during this period of your life. It is that of the Ace of Spades. This is the card of personal transformation and sometimes, of death. This does not indicate your passing away during this period. However, the idea of death may be something that you find yourself confronted with again and again. For example, there could be deaths in your family from time to time, or of someone that is close to you.*

*At the very least you may find yourself more preoccupied with the notion of death and you yourself may have some fears about these very things. The Two of Clubs has often been called the 'fear card'. Events during this period could cause you to have more fear than you thought you had. Keep in mind that this fear, whatever it is, is rooted in the basic fear of death, which is really the fear of change. Look deeper into yourself and you may discover an inner sense of vulnerability. This could lead to some profound inner discoveries as the Ace of Spades is also the card of the 'inner secrets'. The potential for spiritual discovery is great.*

## The Cards In Your Jupiter 13-Year Period

### *Some General Information About the Jupiter 13-Year Period Cards*

Your 13-Year  
Jupiter Period is from  
1/29/1993 till 1/29/2006

*The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.*

*Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.*

*It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.*

*With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.*

### Your Thirteen-Year King of Clubs Period

Your 13-Year  
Jupiter Card

During this period you may likely become an authority in some area of information or knowledge. People often become an author or the head of some organization when this card is present. At the same time, there is going to be a person who plays an important role in your life, someone signified by the King of Clubs. This person is most likely a male who is intelligent and powerful, but kind. But for you, this person will be one of the more important influences of this time of your life.

If you are a Club yourself it is highly likely that you will rise up to some level of recognition and accomplishment. Knowing this ahead of time you could really reach for the stars with assurance of your ultimate success.

But for anyone with this card a certain amount of success is indicated, but especially in the areas of communications, knowledge, teaching, publishing or an area where specialized knowledge is applied for the good of others, such as a lawyer or doctor.

The underlying Two of Spades says that friendships and working partnerships will also play an important role in your life now. You may even enter into a significant working partnership, or at the least, a lifestyle friend, during this time.

Overall, you can expect your intelligence to be high and 'right on' now. High intuition and high reasoning ability make an unbeatable pair. Use them to achieve as much as you desire.

## The Cards In Your Saturn 13-Year Period

Your 13-Year  
Saturn Period is from  
1/29/2006 till 1/29/2019

### *Some General Information About the Saturn 13-Year Period Cards*

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

### Your Thirteen-Year Jack of Diamonds Period

Your 13-Year  
Saturn Card

This period will be more or less overshadowed by one or more young, Diamond males, or by someone whose Birth or Planetary Ruling Card is the Jack of Diamonds. It will also be a time of variety and creativity with your work and perhaps uncertainty with your health.

There will be some Jack of Diamonds characters in your life and these will usually be men who are creative, fun-loving but perhaps also dishonest or of low morality. Their influence on you will be quite strong now. This could be a good thing or a bad thing depending upon many factors such as your age. They could be love interests to women and for men, these cards could indicate work as a salesman or promoter. This is not a bad card by any means. On the contrary, it bestows a great measure of creativity. The only question is how will this creativity be used by others and by you.

If you are a person whose Birth or Planetary Ruling Card is a Diamond, this card can indicate your playing a Jack role for most of this period. That role would be creative, romantic, or in sales and promotions.

The underlying Three of Spades could cause your involvement in artistic expression or work. But it can also represent stress or health matters that are challenging and difficult to diagnose. Drugs and alcohol are things that will bring more harm than good at this time. If you are older when you enter this period, this could definitely represent health challenges. At the very least this influence could cause you to be doing so many different things at the same time that you feel overwhelmed and stressed. Some people may even find that they are living two lives at the same time.

To get the most of this period, express all the creative energies of these two cards in a positive fashion, such as through art, music or salesmanship. You could be very successful and content in doing so.

## *The Cards In Your Uranus 13-Year Period*

Your 13-Year  
Uranus Period is from  
1/29/2019 till 1/29/2032

### *Some General Information About the Uranus 13-Year Period Cards*

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelations during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your 13-Year  
Uranus Card

### Your Thirteen-Year Four of Hearts Period

The main influence for this 13-year period is the Four of Hearts. This is probably the strongest influence in the entire deck of cards for settling down and enjoying the rewards of family life and close friendships. The Four of Hearts is a sign of protection in love, marriage and family. It can represent one's marriage and the foundation of love upon which a family and life can be built. The Four of Hearts is usually considered a good influence, especially for a happy family and social life. But this period could also just represent a time when you have a circle of close friends that you enjoy. It is definitely a settled period of your life. You would not normally expect a lot of changes or moves with this card present.

Its underlying card, the 4 of Spades, even strengthens this notion. With 'double-fours' presiding over you for 13 years, you can expect contentment and security. The only other factor that could be present is that you must work a lot, as the Four of Spades can be a workaholic kind of influence. Depending upon your age when you enter this period, the above qualities will manifest themselves appropriately.

### *Your Thirteen-Year Four of Diamonds Period*

*This period of your life will most likely be marked by hard work and stable finances. However, for some this will seem like a time of struggle. In reality there is protection at this time, especially financially. But the tendency to struggle is inherent in your personality to some extent and you will be challenged to work and be productive without making it so hard. This does not mean that being lazy or trying to avoid working for what you get. The Four of Diamonds promises rewards through hard work. Therefore, a willingness to do what is necessary is a requirement for success.*

*Your sense of values and knowing what you want from life should be very clear at this time. This, in turn, will attract to you all that you desire. And you may feel very stable and grounded in the work you do and the lifestyle you have created. But there is also a sense of restlessness going on at a deeper level, as represented by the Five of Spades. And this may cause you to do much traveling or to move your residence more often than you would expect. Changes are definitely to be expected. In addition, for some there will be health matters that have to be dealt with, regardless of their age during this period.*

*Its Underlying Card*

*Finally, ideals about love and relationship will be tested by actual experiences. Some will find disappointment at the end of the rainbow while others will gain more clarity about their romantic dreams. For all this will be an important period of defining yourself in terms of what you want from life. And you will gain much clarity about these values as you progress through this period.*

The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.*

### About Your Auspicious Events Report

These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

## Auspicious Events Occuring at Age 60

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

### You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

### This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

THE LIFE SPREAD

## Auspicious Events Occuring at Age 62

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

### You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Birth Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

## Auspicious Events Occuring at Age 71

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations.
