LOVE CARDS

## *How to get the most from this Relationship Report*

*The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.*

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

### *All about Oprah`s Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Jack of Clubs Person

The Mentally Creative Card

Creative, dishonest, or a mixture of both? As we can imagine, those who are the most creative can also be the most dishonest and vice versa. Here is a card of mental and financial creativity and these people are no lazy bones. Their brilliant minds are far ahead of the common person and society. They are the people of the Aquarian Age, being neither entirely male nor female. They are progressive and on the cutting edge of the evolution of our society and world.

As members of the royal family they dislike pettiness and tend to be somewhat impatient with the failings of others. They need respect and a position that allows their brilliant minds free reign to create and explore. They are never at a loss for ideas, some of which will bring them huge financial returns. On the negative side, the Jack of Clubs can be irresponsible and in some cases, dishonest. They can see things from so many levels that nothing is really 'wrong' - it is just another way of looking at things. And they can make up a story so fast that they can explain away practically anything. They don't get away with much in that regard though. Saturn's hand always reminds them of the boundaries that keep them balanced and fair. The trouble comes when they start believing their own stories, departing from reality a little too far and creating a lot of hardship before getting back on course.

They are essentially good and giving people. Even though they are argumentative at times, they are loving and friendly to all they meet.

Some of the Jack of Clubs Issues Concerning Relationships

Such a strong and fixed mental approach to life can have its share of challenges for the Jack of Clubs. Mental approaches don't always work in the realms of love. However, these people do not have particularly bad karma in this area. They need someone who is their friend first, and who will allow

### *All about Oprah`s Birth Card*

them some freedom to do and be themselves. If they have this, they are faithful and devoted. The men are excellent lovers and the women excellent companions.

They often have to contend with the ill health of a loved one, or their own health problems that are rooted in some emotional conflict. In most cases their health issues are related to some emotional cause, whether it be family or lover related.

### *All about Oprah`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

#### Four of Hearts as Your Planetary Ruler

This is called the family card and represents a foundation of love and all the good things associated with home and family. These things are very important to you and you probably go out of your way to make sure that you have a circle of close friends that you can count on, and that your home is comfortable and enjoyable. As a matter of fact, you may have special skills that relate to food, beauty or home life in other areas. You are probably a good cook as well. In any case, you will find ways to create security among your inner circle of family and friends. You are a protector and helper to those you love and you hate to see any of them leave. Others feel nurtured in your presence though you must watch out to not smother them at times. Family life can bring you much joy, whether that comes by marriage, or just by creating your own family among those you love the most.

## All about Gayle`s Birth Card

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Three of Hearts Person

The Indecision in Love Card

The Three of Hearts is the first card in the Mundane Spread of cards and represents the departure of Man and Woman from the Garden of Eden. They are inquisitive, intelligent and interested in work. They have particular success working with men and even the women stand well in male-ruled companies and associations. They are progressive in their work and usually improve their life or finances through travel or making changes. They are quite psychic, hard workers and have success whenever they apply themselves. They need a certain amount of change or travel in their vocation to be happy.

One of their most important lessons in life is overcoming their fear of poverty and learning to translate indecision in values to creativity in their work or business. They are learning to develop faith that the necessary resources will always be there for them when they ask. Much of their own financial lack stems from unclarity about what is most important to them in life. In this case, their own natural creativity becomes a burden of indecision. This same indecision can be at the root of some very challenging and karmic relationships where they meet another who shares these same qualities and leaves them in doubt about whether or not they are loved.

Once the Three of Hearts has learned the value of foundation and stability, their creativity becomes a great talent that leads them forward towards their goals. Once they learn that it is as good to give as to receive, they find great fulfillment in giving love and truth to others in their life. Those that spend their later years pursuing metaphysical or religious subjects have more satisfaction and peace.

Some of the Three of Hearts Issues Concerning Relationships

Of the threes, all of whom demand the freedom to explore possibilities, the Three of Hearts can become the most confused and bewildered mentally

### *All about Gayle`s Birth Card*

and emotionally. In search for what and who they love, they can often become confused and dissatisfied, even when they find the perfect love standing in front of them. They are very charming and attractive people and have no trouble attracting others to love. The challenge comes once they find someone. The Three of Hearts can be one of the most fickle in the deck but this same energy can be expressed as a profound ability to speak and express themselves. If there is the fickleness, one can find its roots in emotional conflicts and fear of commitment. They do have some difficulty deciding what they want emotionally and in other areas and there are bound to be times when the person they lose is the one that they truly wanted the most. They generally are attracted to those of wit and high intelligence.

### *All about Gayle`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

#### Three of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of creative ability, which, if expressed, can bring you great success. However, an uncertainty about your line of work, or about what is most important to you in life may also cause a great deal of worry or stress from time to time. In particular, you may worry about money a lot, even when you are doing well financially. Creative expression is a healing balm for you. You may also find that you are drawn towards the study of mysteries, metaphysics and other spiritual subjects. You have a natural gift of understanding and a keen mind that can penetrate the deepest subjects. Personally, you probably have many challenges in the relationship arena, also connected to your fluctuating values and abundant possibilities.

## *All about the Card Connections you share*

*Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.*

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

### *The First Connection Between You*

Oprah

Gayle

*Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.*

Gayle is the Mars Card to Oprah

Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for friendships and partnerships. This connection tells us that Gayle and Oprah have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Gayle and Oprah will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Gayle is a strong stimulant to Oprah. She will either excite her into action of some sort, make her angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Oprah will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, working out, or working together in a business.

Of course, there is a possibility that Gayle and Oprah were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility between them. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into understanding and friendship. Other connections between Gayle and Oprah may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other. Sometimes people with this connection are immediately drawn towards each other in a positive way, but within a short period of time realize that they have feelings of animosity for each other. Some of these fated kinds of relationships can be the most important in our life. Forgiveness is a key to resolving and dissolving any of these negative emotions which have spilled over from the past.

### *The First Connection Between You*

Oprah

Gayle

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, many friends who have successful working relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Gayle and Oprah will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Oprah is probably the one who allows Gayle to anger her. Because Gayle is her Mars Card, she is the one who is reacting to Gayle as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Oprah and she probably chose Gayle to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Oprah may be affected a little more since she is the one receiving most of the Mars energy. If Gayle and Oprah take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Gayle: I am aware of how much I stimulate Oprah and

understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Oprah: I accept Gayle as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This connection tells us that Oprah and Gayle have some score to settle from a past life. There was some unfinished business that now has an opportunity to be resolved in this lifetime. This is especially true if Gayle is strongly attracted to Oprah. Now, in this lifetime, they can take up where they left off. The essential message of this connection is that Oprah has something to teach Gayle. That something could be one of many things. Lessons come in all shapes and sizes. Some are about relationship, some are about career or dealing with money. Others are about self-esteem, honesty, faithfulness, responsibility and fairness. We don't know which of these lessons are the ones being dealt with in this lifetime, but we do know that something important will be transferred in the course of this relationship.

It is likely that Oprah and Gayle felt a strong attraction when they first met, and even that they felt this sort of ease and familiarity that is associated with all of the past-life connections. There could have been great feelings of friendship as well. However, this connection tells us that there is also a very practical side to this relationship, one in which Gayle will be influenced by Oprah to become more successful, responsible and practical. Oprah could have even been Gayle's father in a former lifetime - a lifetime in which her role as

father didn't get the opportunity to be fully expressed. However, this is only one of the many ways this connection could have originated.

It is certain that there is some form of 'karmic debt' that is being paid off over the course of this relationship and it is noted that many relationships with Saturn connections last a long time. Sometimes, paying off this debt is the main reason for this relationship in the first place. Though other connections may describe various characteristics of their being together, this karmic repayment may be the most important reason that Oprah and Gayle are together. And keep in mind that the payment is being made from Oprah to Gayle, and that the payment is some sort of lesson about life. We must also keep in mind that Oprah is just as much bound to pay this lesson as Gayle is to receive it. This relationship is important to both of them, but each for their individual reasons.

Relationships like these show us God's hand in motion. We see God's plan for us unfolding. If we pay attention, we can learn a lot about the ordered nature of our universe and reality. This relationship demonstrates how every cause has an effect, every effect has a cause, and how some of our relationships have a broader purpose than to just be friends or have fun together. Saturnian energies are often difficult but this relationship does not have to be so. If there is a mutual feeling of growth and openness between Oprah and Gayle, this relationship can be experienced as a very positive influence for both of them, one that leads them to more productive and happy lives.

Affirmation for Oprah: I understand that I have the ability to see all of Gayle's faults and shortcomings and share suggestions with her lovingly and with the awareness that I have a powerful effect on her. I am honored to be her teacher at this time in her life.

Affirmation for Gayle: I realize that I chose this relationship with Oprah to help me grow in important areas of my life. With that in mind, I accept her suggestions and example so that I may learn and make progress in becoming a

Oprah

Gayle

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Gayle is the Uranus Card to Oprah

Location: Life Spread

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom in one or both of the partners or friends. But in this relationship, Gayle and Oprah have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in any relationship. This can truly be a relationship 'of the future', where both Gayle and Oprah respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

In this particular relationship, Oprah is on the receiving end of most of the Uranian/Aquarian energies of this connection. This means that she is the one who will most likely have to let go of any personal needs to have Gayle behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they like us, will associate with us, or can be counted on to be there when we need them. Uranus does not support having any expectations of our partner. If Oprah is someone who requires a lot of reassurance, or who has a strong need for Gayle to be someplace at an agreed upon time and place, Gayle will be a real test for her. Even though it probably will not be intentional, she will do things unexpectedly, come and go as she pleases, or act in other ways that could make Oprah feel uncertain.

For this reason, this is usually not the best relationship connection for a business partnership. It works great in friendships or between family members where there is no money at stake, but business success often depends upon punctuality and promises kept, something that this connection does not support that well.

If this is a parent/child relationship and Gayle is the child, this can also be difficult in some ways. Parents generally feel as though they should be the guiding principle in the lives of their children and that their children should do

### *The Fourth Connection Between You*

Oprah

Gayle

as they tell them. However with this connection, Gayle will resist being told what to do or at any attempt to be controlled by Oprah. This can cause Oprah to try even harder to help, or control Gayle, causing a lot of friction between them. In this case, it is highly advisable for Oprah, the parent, to abandon all attempts to teach, guide, lead, or control their child and realize that they need to be friends first. Gayle will get all the instruction and help she needs elsewhere.

We generally attract a Uranus friend, family member or associate just to learn the lesson of non-attachment. And that could be the underlying reason for this relationship from Oprah's point of view. If Oprah is having any difficulty along these lines, it would be wise for her to examine this level of attachment to or need to control Gayle.

In other cases, Uranian relationships are just true friendships. Both partners have their own lives, jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some partners or friends really like this kind of relationship and it fits them very well. This may be one of the most paradoxical kinds of relationships. To have it, you have to give it up. And we can never predict just when or how these two will be together as Uranus is the planet of the unexpected.

So, exactly how this relationship develops will depend a lot on what both Gayle and Oprah want from their being together. This will be especially important for Oprah since she is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between Gayle and Oprah, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

Affirmation for Gayle: I realize the powerful effect I have on Oprah. Though I will never allow her to control me or dictate my actions, I will express my appreciation of her so that she knows how I feel.

Affirmation for Oprah: I allow Gayle to be completely free to be herself. In

## The Fourth Connection Between You

this way, I am creating a relationship based upon true friendship and unconditional love.

## The Fifth Connection Between You

Oprah

Gayle

Gayle is the Cosmic Lesson Card to Oprah  
Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This connection doesn't have a major impact on a relationship in a personal sense. But it can be more important in business relationships. Because it is one of the universal or cosmic connections, it has more to do with how these two connect in relationship with the world around them. Specifically, Gayle is a reminder to Oprah of how she has, or could have, an important role to play in terms of helping mankind. This is about Oprah's career and role in the world. If she is not career-minded at all, then Gayle's influence may just have some implications about whatever role she is playing in her life, as seen by others. For example, if Oprah is not career oriented, Gayle may just might just be a sort of role model for what Gayle could do, either in her personal life or in some professional sense.

But in all cases, Gayle's presence in Oprah's life is telling her that she should be doing this or that - essentially things that will both improve her life as well as help others through her contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Oprah if she is searching to find her purpose, or to decide what kind of role would best fit her. By studying our Cosmic Lesson Card, these sorts of things are revealed.

The fact that Oprah has attracted someone who is her Cosmic Lesson Card into her life is probably an indication that she is ready to achieve some of her potential, or that Oprah will be lead to her rightful place, work or

*The Fifth Connection Between You*

Gayle

career-wise, by Gayle's influence in her life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Gayle's reminding Oprah of her highest potential, or somehow offering suggestions that may help her career. However, Gayle's presence in her life already serves as that reminder. She may even be involved in the kind of work that she aspires to, or may eventually become involved in. In other cases, it could be the way she does what she does that is a clue for Oprah as to what it is that can benefit her career or direction.

Affirmation for Gayle: My awareness of how I am a reminder to Oprah of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Oprah: I am grateful for the presence of Gayle in my life. She reminds me of what I can do and become in a way that inspires me to my highest potential.

Gayle is the Moon Card to Oprah

Location: Spiritual Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense a familiarity that goes beyond normal descriptions. It is as though we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. People who have this connection often experience instant recognition of each other. Because they had been together before in a meaningful way, there is a certain sense of easy communication when they meet, even if they have never seen each other before in this lifetime. This connection provides a foundation upon which any sort of successful relationship or partnership can be developed.

In this relationship, Gayle is a Moon Card influence to Oprah. Her presence in Oprah's life is a comfort that soothes her. She provides Oprah with nurturing support and a sense of foundation, stability and settledness. Oprah, on the other hand, brings many good things into the life of Gayle. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship and for Gayle's life in some way. Whether they realize it or not, Oprah is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

Keep in mind however, that this connection only supports partners or friends and associates who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended or had a lot of difficulty because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Gayle is not willing to be the helpful, supportive, and nurturing person in this relationship, or if she

is unwilling to take the back seat to Oprah in key situations, this relationship may not last. Likewise, if Oprah is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely. Keep these important roles in mind because they will be the overall determination of whether or not this relationship is a success.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Gayle and Oprah are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Gayle: I am very grateful for Oprah's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I appreciate our great communication and enjoy providing support and help to Oprah. The exchange of energy between us is very satisfying.

Oprah is the Cosmic Lesson Card to Gayle

Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. But it can be more important in business relationships. Because it is one of the universal or cosmic connections, it has more to do with how these two connect in relationship with the world around them. Specifically, Oprah is a reminder to Gayle of how she has, or could have, an important role to play in terms of helping mankind. This is about Gayle's career and role in the world. If she is not career-minded at all, then Oprah's influence may just have some implications about whatever role she is playing in her life, as seen by others. For example, if Gayle is not career oriented, Oprah may just might just be a sort of role model for what Oprah could do, either in her personal life or in some professional sense.

But in all cases, Oprah's presence in Gayle's life is telling her that she should be doing this or that - essentially things that will both improve her life as well as help others through her contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Gayle if she is searching to find her purpose, or to decide what kind of role would best fit her. By studying our Cosmic Lesson Card, these sorts of things are revealed.

The fact that Gayle has attracted someone who is her Cosmic Lesson Card into her life is probably an indication that she is ready to achieve some of her potential, or that Gayle will be lead to her rightful place, work or career-wise, by Oprah's influence in her life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Oprah's reminding Gayle of her highest potential, or somehow offering suggestions that may help her career. However, Oprah's presence in her life already serves as that reminder. She may even be involved in the kind of work that she aspires to, or may eventually become involved in. In other cases, it

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense a familiarity that goes beyond normal descriptions. It is as though we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. People who have this connection often experience instant recognition of each other. Because they had been together before in a meaningful way, there is a certain sense of easy communication when they meet, even if they have never seen each other before in this lifetime. This connection provides a foundation upon which any sort of successful relationship or partnership can be developed.

In this relationship, Oprah is a Moon Card influence to Gayle. Her

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is the strongest psychic connection that two people can have. It is a psychic link that exists because the two people in this relationship shared a past life together in which there was a lot of attention placed upon the idealism of their being together. They could have easily been co-members of some religious or spiritual fellowship, sharing the same beliefs and religious practices. They probably had the same goals of helping humanity or of spiritual attainment in that lifetime. In this lifetime they come together with a strong spiritual and psychic bond that is often difficult for them to describe.

What is interesting is that in the current lifetime, neither one of them may even have any interest in spiritual matters. When this is the case, we usually observe that their relationship instead has a lot of idealism and fantasy involved in it. This would be especially true if this connection is one of the first between them. Gayle is the primary receiver of this Neptune energy and so she is the one who is more likely to have ideals and fantasies about Oprah and their relationship. Indeed, one of the reasons for their being together may be for Gayle to learn the difference between dreams and reality. We all have some unfulfilled soul-level dreams that are strongly stimulated when we meet someone who is our Neptune Card. It is through these relationships that we get a chance to experience the pros and cons of these kinds of energies and just how our dreams and ideals work themselves out in this material world.

For this reason, this connection could add a very positive element to this relationship or it could be the cause of a lot of confusion and disappointment.

Gayle

If Gayle projects many of her fantasies and unfulfilled desires onto Oprah, Oprah could feel as though Gayle does not know the real her, only her projections. This could make Oprah tire of this relationship as she is not being seen and accepted for who she is really is. Or, she could use the fact that Gayle is somewhat deceiving herself to take advantage of her weakness and go along with the deception in order to get things from Gayle that she wants. These are some of the more common, negative expressions of the Neptune connection.

The positive expressions of this connection are spiritual influences, inspiration in being together, an incredible psychic link to each other and appreciation for the other that never dies. On the spiritual level, Oprah and Gayle may feel as though they have a special purpose in being together, one in which they will help the world in some significant way. To keep this relationship on the positive side, Oprah and Gayle only need to have an awareness of all the manifestations, both positive and negative. By just being aware, they will always have a choice in how they want this connection to add to their lives together.

Affirmation for Oprah: I realize the unusual power I hold over Gayle and consciously direct our activities together in positive directions. I realize that I may not be all of what she thinks I am, but I am encouraged by her seeing the highest in me. She inspires me to reach my full potential and for this I am grateful.

Affirmation for Gayle: Oprah reveals to me my deepest dreams, visions and desires and in many ways she fulfills them. I use her influence to inspire me to do my best and to reach my fullest potential. I am grateful for Oprah's presence in my life.

Oprah is the Mars Card to Gayle

Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for friendships and partnerships. This connection tells us that Oprah and Gayle have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Oprah and Gayle will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Oprah is a strong stimulant to Gayle. She will either excite her into action of some sort, make her angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Gayle will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, working out, or working together in a business.

Of course, there is a possibility that Oprah and Gayle were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility between them. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into understanding and friendship. Other connections between Oprah and Gayle may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other. Sometimes people with this connection are immediately drawn towards each other in a positive way, but within a short period of time realize that they have feelings of animosity for each other. Some of these fated kinds of relationships can be the most important in our life. Forgiveness is a key to resolving and dissolving any of these negative emotions which have spilled over from the past.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, many friends who have successful working relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Oprah and Gayle will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Gayle is probably the one who allows Oprah to anger her. Because Oprah is her Mars Card, she is the one who is reacting to Oprah as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Gayle and she probably chose Oprah to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Gayle may be affected a little more since she is the one receiving most of the Mars energy. If Oprah and Gayle take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Gayle: I accept Oprah as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.
