About Your Find Love Report

This report is designed primarily to show someone looking for a new relationship when such a new relationship is likely to be formed. Whether you are married or single, you can use this report to determine when a new love interest, love affair, or marriage is likely to occur.

Any influence over 7 in the Power category is considered powerful and very likely to result in a new relationship, provided you meet the specific criteria for each influence found. Some influences, for example, are only for meeting a man, thus heterosexual males would not benefit from such a connection.

When strong love influences are present, this is the time to safely engage in new relationships or to expand the scope of your searching. If you are truly ready to meet someone new when these influences appear, just make yourself available to see the magic work wonders in your life.

How to Read this Report

The influences found are listed in start date order starting at the beginning of the time period specified. The start date of any influence is shown, along with how many days that influence is in effect.

The Power of any influence is shown in the next column. The numbers range from 1 to 10, with 10 being the strongest influence possible. You should pay attention to any influence over 7 in the Power category since those are likely to give the strongest results.

The position and card found are listed next, for those who want to research these influences more. And finally, a brief interpretation of each influence is given.

<p>This influence presents the possibility of a destined romantic relationship that will occur before your next birthday. This is by no means a guarantee as it has several other possible meanings. Look for other influences this year to find out how this might manifest for you.</p>				
4/2/2016	52	7	Mars	
<p>This influence indicates your involvement with two or more people. So, if you are single this is an indicator of lots of relationship activity in your life. Mars tends to make relationships passionate, and sometimes aggressive. It is possible that this influence could be a mixture of both for you, but involving two or more objects of your affection.</p>				
4/2/2016	52	8	Mars	
<p>This influence promises a love affair during this period, but only for those interested in men. The King of Hearts is the male lover, just as the Queen of Hearts is the female. Mars promises this will be a passionate affair!</p>				
5/24/2016	52	7	Jupiter	
<p>This influence is not usually associated with romantic relationships, but under certain conditions it can be. If so, it would likely be with someone you have business ties to. Just keep in mind that this influence is not nearly a guarantee of romance that some are. It is usually about friends doing business together.</p>				
9/5/2016	52	7	Uranus	
<p>This indicates a time period where you are interested in, and perhaps romantically involved with two or more people. Even if you have only one partner, you may find yourself tempted by another and have your mind whirling around about it. Romantic partners tend to crop up at group gatherings under the Uranus influence.</p>				
10/27/2016	52	8	Neptune	
<p>This period is highly romantically charged and could result in your having a delightful romantic and sexual relationship. Though the Queen of Hearts can also represent marriage it is not advised to get married in such an illusory period as this. Best wait until after your birthday to consider such a commitment.</p>				
4/2/2017	52	9	Mars	
<p>During this period it is highly likely that you will be involved in a very satisfying sexual and romantic relationship, with emphasis on the sexual part. Mars brings out even more sexual energy from the Queen of Hearts making this a most desirable influence for those who are more sexually inclined.</p>
