About Your Find Money Report

The following report will tell you when you are likely to have financial success in the coming years. This report has collected every instance of a favorable influence and compiled that into a report for you to read and use for planning purposes. In general, you should plan for financial expansion when you have favorable influences present. It is important to keep a few things in mind, however.

1. Financial success is always relative.

What is great money to you may be not so much to someone else. Good money cards in your spreads mean whatever is good money to you. Your influences are always relative to what your norms are in your life. If you are on a fixed income, a millionaire's card will only bring you a few extra dollars.

2. Your basic money karma is always the most important factor.

If you have a poor relationship with money, you will tend to put yourself in a poverty condition, regardless of what influences appear in your life.

3. What to do when you see good money cards coming up.

When you see cards with strength values of 7 and above you should plan to take advantage of these influences. Create more ways for people to give you money for your products or services. Be ready to receive the abundance that is coming by creating a situation where money can come in, both in larger amounts, and from more people.

How to Read this Report

The influences found are listed in start date order starting at the beginning of the time period specified. The start date of any influence is shown, along with how many days that influence is in effect.

The Power of any influence is shown in the next column. The numbers range from 1 to 10, with 10 being the strongest influence possible. You should pay attention to any influence over 7 in the Power category since those are likely to give the strongest results.

The position and card found are listed next, for those who want to research these influences more. And finally, a brief interpretation of each influence is given.

Start Date	Days	Power	Position	Card Influence
2/9/2017	52	7	Venus	 <p>The Eight of Diamonds always promises some income, usually money coming in to cover a large purchase of some kind. Though this is not the strongest money influence there is, it still represents a great opportunity to make money that you can plan on and take advantage of. The Venus period highlights money made in the arts, in beauty products, clothing and items for the home, and sometimes real estate if it means selling your own home.</p>
5/24/2017	52	4	Jupiter	 <p>Though not a fantastic money influence, this does guarantee that you will have more than enough money to meet your needs during this period. Continue what you are doing. You are on the right track.</p>
12/18/2017	52	3	Mercury	 <p>The Four of Diamonds does not promise a lot of money, but it does guarantee some amount of financial protection and freedom from worry about financial matters. Good luck you experience now is the result of your being clear about what you want, which will eventually lead to even greater rewards. Money you make now will be a quick influx of income, not something long lasting.</p>
9/5/2018	52	2	VUranus	 <p>The Four of Diamonds does not promise a lot of money, but it does guarantee some amount of financial protection and freedom from worry about financial matters. Good luck you experience now is the result of your being clear about what you want, which will eventually lead to even greater rewards. Look for satisfaction in real estate matters at this time.</p>
10/27/2018	52	2	Neptune	 <p>You may really want some financial stability this year and it could actually occur, but the Neptune period is no guarantee. Usually, however, the Four of Diamonds brings freedom from financial worries. And some money could be made from foreign enterprises and interests.</p>
12/18/2019	52	2	VMercury	 <p>The Four of Diamonds does not promise a lot of money, but it does guarantee some amount of financial protection and freedom from worry about financial matters. Good luck you experience now is the result of your being clear about what you want, which will eventually lead to even greater rewards. Money you make now will be a quick influx of income, not something long lasting.</p>
12/18/2019	365	7	Environment	 <p>Your own business will be financially rewarding this year. Just keep in mind that this must be a business where you have others work for you, not a one-person business. To be the King of Diamonds and to reap the financial rewards of that you must be one pointed in your financial goals and make these goals your number one priority.</p>
