Introduction

Welcome to your astrology compatibility report.

This report is based on the astrology technique of Synastry, which compares the horoscopes of two people and interprets the correlations between them.

The first part of the report analyses the mix of Qualities and Elements between you to give a general indication of your modes of behavior.

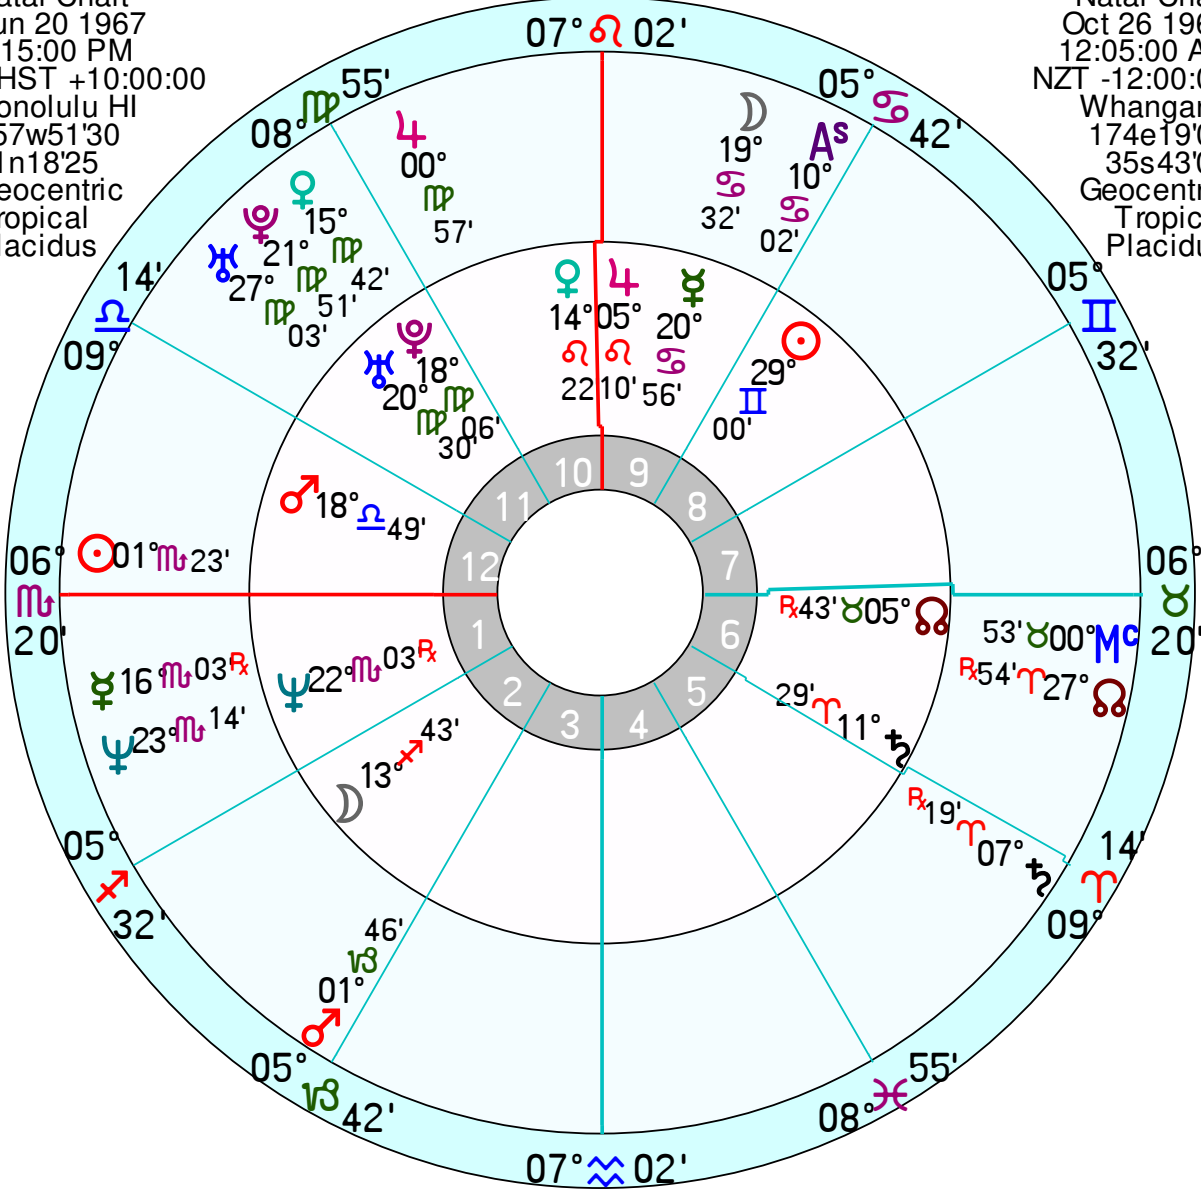

The second part looks at the placements of each other's planets in one another's natal houses. This indicates how you influence each other in the areas of life represented by the houses occupied by one another's planets.

The third part interprets the inter-aspects between your two charts. This shows how you relate to each other. Some of these interpretations are positive and easy and others are challenging.

Your Synastry report reveals your areas of harmony and compatibility as well as your areas of tension and conflict. Hold in mind that human relationships are complex and contradictions can occur in the interpretation.

Qualities and Elements

Nicole's strongest Quality is Fixed and Keith's strongest Quality is Cardinal

Relationships between Cardinal and Fixed personalities are challenging. Keith likes change and is good at getting things off the ground; whereas Nicole resists change and tends to hold onto the known and familiar. Problems can arise between you if Keith's initiatives are opposed or Nicole stubbornly refuses to move forward in life. Positively, Keith stimulates and stirs Nicole into action and she, in turn, has a stabilising influence on him.

Nicole's strongest Element is Fire and Keith's strongest Element is Earth

Relationships between Fire and Earth personalities can be mutually advantageous. Nicole is enterprising and outgoing, whereas Keith is security conscious and cautious. Keith benefits from the opportunities that Nicole creates and she, in turn, benefits from his common sense and ability to provide material protection. Problems can arise between you, however, if Nicole becomes frustrated with Keith's lack of imagination, or if Keith can't cope with Nicole's constant need for change and excitement.

Nicole's Houses

Keith's Planets in your Houses

His Sun is in your 12th House

One of the reasons Keith is in your life is because he has a way of illuminating your vulnerabilities and fears. This is a good thing; because with his help you can see them for what they really are and deal with them. All it takes is a single candle to disperse the darkness.

His Moon is in your 9th House

You may start questioning your understanding of the world because of Keith. Through him you realize that your outlooks and your family's beliefs have their place, but other viewpoints are just as valid. You discover that without religious and philosophical tolerance, personal and social relationships have little hope of survival.

His Mercury is in your 1st House

You can't help being drawn to Keith's intelligence and influenced by his ideas and words. This can be a good or bad thing, depending on the effect they have on you. There is a lot of mental stimulation and badinage between you.

His Venus is in your 11th House

He is your best friend and ally. This beneficial combination indicates a beautiful relationship, in which you truly love and understand each other at a core level. You both enjoy socialising and can join groups or clubs for fun and pleasure.

His Mars is in your 2nd House

Financial matters feature strongly in this relationship. He is straight up and forthright in his views about how you should manage your money and spending. Conflicts can arise quickly when you don't see 'eye to eye' on how money is to be spent. He may attempt to dominate financial arrangements.

His Jupiter is in your 10th House

He might not be aware of it but he can have a good influence on the direction your life takes. A word or deed of his may inspire you to take a particular path in life that leads to personal or professional benefits. Equally, he may consciously help you professionally by putting you in touch with the right people or offering his services in any number of ways.

His Saturn is in your 5th House

Don't go looking for romance in this corner of the world, because you'll be disappointed. He can be too serious for you and not always a lot of fun. This is not an indictment on his character, but there will be times when you just won't gel together. You don't really have the same social interests and there may be difficulties in the bedroom.

His Uranus is in your 11th House

Your friends are simultaneously fascinated by and unsure of what to make of Keith. They see him as someone who is independent and freedom-loving but also unpredictable and possibly unreliable. He probably won't come between you and them, but he will definitely keep them intrigued and guessing.

His Neptune is in your 1st House

You tend to be quite enchanted by Keith and think of him as a spiritual or even mystical person. He may well be these things, but he could just as easily be a dreamer or deceiver, so be careful and circumspect.

His Pluto is in your 11th House

There is something about Keith that doesn't sit easily with your friends and close acquaintances. They sense that he may have more control over you than is healthy for you and their relationship with you. This can cause feelings of jealousy and resentment towards - or from - him.

His Moon's North Node is in your 6th House

Through his ideas and actions he teaches you the value of looking after your health and body.

His Ascendant is in your 9th House

It is a beautiful thing to travel on the same road as someone else. He is a fellow traveller in your life. His beliefs and spiritual outlooks accord with yours. You may journey far and wide together.

His Midheaven is in your 6th House

The type of work you do may well be exactly what Keith is looking for in a career. He gets inspired seeing that you are doing it. You can provide him with the skills he needs to get ahead.

Keith's Houses

Nicole's Planets in your Houses

Her Sun is in your 12th House

One of the reasons Nicole is in your life is because she has a way of illuminating your vulnerabilities and fears. This is a good thing; because with her help you can see them for what they really are and deal with them. All it takes is a single candle to disperse the darkness.

Her Moon is in your 5th House

You feel good and happy when Nicole is close by. She brings joy into your heart and feelings of lightness and fun. Sometimes you just can't believe how great you feel when you're together. She inspires you to be creative or artistic.

Her Mercury is in your 1st House

You can't help being drawn to Nicole's intelligence and influenced by her ideas and words. This can be a good or bad thing, depending on the effect they have on you. There is a lot of mental stimulation and badinage between you.

Her Venus is in your 1st House

She has a harmonious influence upon you. She makes you feel happy and content in her presence. You love being with one another and also enjoy socialising together. She is affectionate and demonstrative and is likely to shower you with gifts or pamper you.

Her Mars is in your 3rd House

Communication between you is direct and straight-forward. There's no beating about the bush with you two. You have a great sparring partner in Nicole. Here is someone who is not afraid to 'vent her spleen' and tell you exactly what's on her mind. One thing is for certain, you always know where you stand with each other.

Her Jupiter is in your 1st House

You are lucky to have Nicole in your life; she lifts you out of your world and shows you what is possible when you extend yourself and take chances. Rest assured, she has your best interests at heart and won't lead you into situations that you can't handle.

Her Saturn is in your 9th House

When you get down to it, do you and Nicole really hold the same outlooks on life? To you, her beliefs are somewhat conservative and perhaps even rigid. She may

disapprove of your spiritual or philosophical ideas and, if you're not careful, may go out of her way to ridicule or denigrate them. Travelling together is not without its problems.

Her Uranus is in your 2nd House

Get used to the idea of instability in your financial life with Nicole around. Her attitude towards money may give you reason for concern, particularly if you are a security-conscious sort of person. She is unlikely to place the same value on possessions or wealth as you and may have off-beat or unusual ways of earning a living.

Her Neptune is in your 4th House

Nicole tends to feel a bit uncertain and insecure about family and domestic matters. She may come across as evasive to your family members, when in fact she's sensitive and possibly even shy around them. She finds it difficult to put down roots and may be unsure of her own ancestral history. Your dream home together may be just that - a dream.

Her Pluto is in your 2nd House

If you like it or not she has a way of rocketing you out of your security comfort zone. She forces you to transform your ideas about money and possessions. Through her influence you could become quite well off or quite the reverse.

Her Moon's North Node is in your 10th House

Through her ideas and actions she teaches you what is important in life and what you need to be striving for.

Her Ascendant is in your 4th House

She feels right at home in your place and with your family. You could easily set up house together and create an environment that reflects both of your personalities.

Her Midheaven is in your 1st House

There are certain things about your personality that she longs to develop in her own. She respects who you are and what you stand for and aspires to be like you to a degree.

Aspects

Nicole's Sun is Trine Keith's Sun 2°23' S

This is a very harmonious relationship combination. An agreeable aspect between your Suns makes for an ease of interaction and good mental understanding. You value one another's strengths and support each other's ambitions. You have similar temperaments and goals in life.

Nicole's Sun is Opposition Keith's Mars 2°46' A

This is a potent planetary combination in any relationship, be it a personal or professional one. Together, you come across as two people who are constantly competing with each other; or jointly against others in the environment. Your personal

dynamic with each other is often stressed and tense, with frequent arguments and ego clashes. Individually, you tend to challenge everything the other one wants to do. There is the need to curb your tempers and aggressive attitudes. There may also be issues of control and dominance.

Nicole's Sun is Sextile Keith's Jupiter 1°58' A

This is an essentially positive planetary pairing for two people to have between them. As a couple - or even as business partners - this aspect encourages individual and combined growth. Together, you are motivated by a strong urge to expand in life and to broaden your horizons. By applying yourselves, you have the ability to successfully advance your material, social or spiritual aspirations.

Nicole's Sun is Square Keith's Uranus 1°57' S

Your first meeting was likely to have been sudden or in a situation that was unusual to you both. The energy between you is electrifying and exhilarating. You thrive on spontaneity and change. You like giving one another surprises and challenges. Life together is always interesting. Other people find your relationship exciting and stimulating because they can see that you don't play by the rules.

Nicole's Sun is Sextile Keith's Moon's North Node 1°06' S

This astrological pairing indicates that your relationship is very significant to both of you. Your union seems to have been pre-destined. As a couple you may know important and influential people.

Nicole's Sun is Sextile Keith's Midheaven 1°53' S

A harmonious aspect between the Midheaven and the Sun is good for mutual and individual success in the world. You help each other to realise your goals and ambitions.

Nicole's Moon is Square Keith's Venus 2°00' A

Even challenging aspects involving the Moon and Venus work well in a relationship. They intensify your attraction for each other and deepen your desire for unity. You have strong feelings of love for one another and a readiness for commitment. About the only thing you need to be careful of is a tendency to smother one another or to come across as needy and emotionally dependent.

Keith's Moon is Conjunct Nicole's Mercury 1°24' A

You communicate well together. You understand each other intellectually and emotionally. You have many ideas in common and there is a sense that you both know what each is thinking. When you are in other people's company you often finish each other's sentences. Because you are so in tune with one another, you are also able to sense the moods and feelings of others.

Nicole's Mercury is Trine Keith's Mercury 4°53' S

You have good mental understanding and communication between you is generally easy and smooth. You can agree on most things and meet each other half way on points of difference.

Nicole's Mercury is Sextile Keith's Venus 5°13' A

Communication between you is generally pleasant and harmonious. You are courteous to one another and always prepared to listen to each other's ideas and points of view. Even when you don't agree on things you don't tend to let it bother you or get in the way of your feelings for one another.

Nicole's Mercury is Trine Keith's Neptune 2°18' A

You are receptive to each other's ideas and outlooks on life. Spiritual matters interest you both and you may study metaphysical subjects together. You are able to tune into each other's thought patterns. An undeniable intuitive and telepathic understanding exists between you.

Nicole's Mercury is Sextile Keith's Pluto 0°55' A

Through the process of mutual self-examination you have the power to transform your thinking and understanding of yourselves. As a team, you are well-suited to investigative and research work. You could even publish something together.

Keith's Mercury is Square Nicole's Venus 1°41' A

Communication between you is generally friendly and cordial; however you can hold quite opposing views on issues concerning your relationship. Providing you are both prepared to sit down together and iron out any points of contention, you will manage to get along well. Try not to be flippant or off-hand with one another, as this could create minor misunderstandings and feelings of irritation.

Keith's Moon is Square Nicole's Mars 0°42' S

If you like stressful relationships then you are made for one another. This combination is hard work. Expect many disagreements and arguments. You have quite different approaches to life; one is highly sensitive and relates to others emotionally and the other is impulsive and insensitive to the needs of others. The latter will tend to dominate the former and stomp all over their feelings. There is the tendency for you to strike out at each other in frustration or anger.

Keith's Sun is Square Nicole's Jupiter 3°47' A

Even though this is a challenging aspect, its influence on a relationship is fundamentally positive and beneficial. As a couple, you can advance socially and materially. Negatively, there may be some problems with wastefulness and extravagance on the part of one partner. Philosophical differences are also likely.

Nicole's Jupiter is Trine Keith's Saturn 2°09' A

This is a desirable aspect to have in a relationship because it enables you to grow and prosper in a prudent and measured way. Both of you are sensible with money and realistic about what you can and cannot afford.

Nicole's Jupiter is Square Keith's Midheaven 4°17' A

You are generally content and happy together. You share similar professional and family aspirations; and readily support each other in these areas. There can be some

minor conflicts over matters of outlook, but nothing that can't be ironed out through tolerance and compromise.

Nicole's Saturn is Conjunct Keith's Saturn 4°10' S

You have much to learn and gain from one another in terms of life-experience and maturity. You feel a sense of responsibility for each other and know one another's needs and boundaries. You both understand your individual responsibilities and tend to live up to them. This aspect can have a stabilising influence on a relationship; however if either of you feel unhappy or restricted it can lead to estrangement or separation.

Nicole's Saturn is Square Keith's Ascendant 1°27' A

This is not one of the most ideal astrological combinations for partnership and marriage. There are issues of control and dominance for you to work out between you. One of you tends to dictate the terms of the relationship, much to the chagrin and frustration of the other. Thoughts of separation often cross your minds.

Keith's Moon is Sextile Nicole's Uranus 0°59' A

From the first time you met, you knew there was something going on between you. You have a strong intuitive connection. Spontaneity and variety keeps your relationship alive. Keith's Venus is Conjunct Nicole's Uranus 4°48' A

Irrespective of how much you like or love one another, you will not allow your individual freedoms to be compromised. You are attracted to one another and fascinated by each other's personalities; however the attraction tends to be short-lived, unless you can manage to keep one another stimulated. The last thing you want from each other is a conventional and routine relationship. You are looking for fun and adventure from each other.
