## All about Larry's Birth Card

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The Ten of Clubs Person

The Ten of Clubs is usually a highly intelligent and ambitious person. They are also highly creative and independent. Most will not be happy for long in a subordinate position, or will at least rise up to a high level in their chosen field. These people are also highly creative. The word 'highly' pertains to most everything they do and are. Many are destined for great success and recognition. Many of today's most successful artists, publishers, and leaders in the fields of information and education are Ten of Clubs.

Being so creative and independent, there is little that they cannot accomplish. The question is what shall they do? For many Ten of Clubs, deciding what occupation is best or the one they want the most is a major life challenge. Whatever occupation they finally choose, it has to be one that will provide them with recognition and reward. It will not do for them to just be a 'nobody' or to be only a part of some large organization. These are leaders and originators of the highest order.

### Some of the Ten of Clubs Issues Concerning Relationships

Ten of Clubs have great success in business relationships for the most part. They have an inherent mastery of people that helps them do very well in whatever line of work they are involved. They do have strong egos and fixed wills, however, and if placed with others of strong ego or will, there can be competition. The Ten of Clubs is not afraid of competition as they are used to winning in whatever 'game' they are playing.

In personal relationships things do not go nearly as well. And there can be cases where their personal relationship issues spill over into their work areas. Their indecision and uncertainty in values creates the same in their relationships, where they also have a short attention span. As long as they keep their personal lives separate from their work, there will be no problems.

## All about Larry's Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

### Three of Hearts as Your Planetary Ruler

This is a card of uncertainty of the heart, but also one of creativity and variety. You probably have a good deal of artistic ability, whether or not you are currently expressing it. However, many people with this card are singers, musicians or artists of other kinds. This card also inspires children, which are another form of creative expression. If children are important to you, this could be one of the reasons why. On other levels, the Three of Hearts means uncertainty of the heart. Your own emotional life could have some challenges as you probably try to use your mind to resolve your emotional problems without much success. You may be a 'love worrier'. There is a need to 'feel' and to let those feelings be expressed. That is the solution for the proper expression of this creative force that is a part of you. On the other hand, you may find more happiness in having multiple partners, which is another expression of this Three of Hearts energy.

## All about Sergey's Birth Card

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The Five of Clubs Person

Five of Clubs people are restless and adventurous. They are also somewhat lucky with money. Many of them will either inherit money or make a fortune in business without having to try very hard. They are excellent promoters and love to mix work with travel. They are usually single as their restless natures often preclude marriage or long-term relationships.

Their natural curiosity brings them much knowledge, but they often do not apply it or stick to one train of thought. This tends to make them skeptics, not even getting satisfaction from their own self-created belief structures. Thus, they are always learning new things and are very open-minded. This gives them the ability to relate to most anyone in a comfortable manner. Some are 'mental explorers' and will pursue various endeavors just to find out more about it and to have the experience of it.

Though restless they are naturally well-organized in what they do. They probably wouldn't enjoy routine or repetitive work but they themselves will keep their personal area clean and neat.

Their progressive ideas can often be quite financially rewarding, both for them and for those they work for. Those who employ them as promoters are rarely disappointed.

### Some of the Five of Clubs Issues Concerning Relationships

Five of Clubs are naturally attracted to the secret affair. Thus, it is common for them to be having secret affairs with married people where they work or elsewhere. Otherwise, they get along very well with co-workers and are generally agreeable. They are somewhat skeptical, mentally, often taking the opposite end of an argument just for the fun of it. This could come across as a problem, but rarely results in much.

## All about Sergey`s Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

### Leos Have No Separate Planetary Ruling Card

Because you are a person born under the royal sign of the Sun, your Planetary Ruling Card is the same as your Birth Card. What this tells us is that you are much like a double or triple version of your Birth Card. Whatever qualities you have, according to your Birth Card, have been doubled in your case and of course, you tend to dramatize these qualities to the max at times. Of you, people might say, "he (or she) is such a card!" because you put so much of yourself into whatever expression you have to show to the world. You have a lot of potential in terms of leadership and have an opportunity to utilize the characteristics of your Birth Card to lead others and help them in many ways. You also tend to have a strong romantic nature that in some cases, can interfere with long-term commitments.

## *All about the Card Connections you share*

*Look at each connection as a link that connects each person to some part of themselves that they want to look at, develop or explore in some way. The partners in this relationship are mirrors to each other and the connections describe what they see.*

This report uses the most advanced techniques available to give some real insight into the inner workings of this association. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how these two people interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between these two serve an important purpose and contribute to the experience that they share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of it.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection in this relationship probably manifests itself at times. Therefore, regard all of them as having some important information for you.

One thing to pay attention to is whether or not the two people in this association have more than one of a certain kind of connection between them. For example, they may have a total of two or three Mars connections between them. When this is the case, it is wise to study these connections carefully, realizing that this probably indicates some of the most important reasons that these two ended up together in whatever capacity they are. It will also indicate a predominant pattern of interaction which could be the real meat of the relationship.

Finally, it should be stated here that there are no bad connections. If we are in a relationship with someone, regardless of the reasons, there are important reasons for this. The descriptions of the connections in this report can help you understand these two have made the choice to be together, which can in turn help them understand their individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the desire to work together is there, there are many good things for each of the two to gain from being together.

### *The First Connection Between You*

Larry

Sergey

Sergey is the Neptune Card to Larry

Location: Life Spread

*The first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that exists in this relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for this relationship.*

Each of us has a card or two in our Life Spread that represents a person who, on some level, matches up with some of our innermost ideals. When we meet someone who is our Neptune Card, we are meeting a person who personifies those ideals. As such, we can easily think that this is the 'person we have been looking for'. And we can sometimes get carried away with this notion. This connection enhances compatibility but it can also set up a situation that can result in a big disappointment for one of the parties. It is very important to understand how it works and how best to handle it when you meet your Neptune person to get the best advantage of it.

In this relationship Sergey is Larry's Neptune Card. Sergey stimulates these Neptune energies in Larry. Larry will tend to look at Sergey as someone who fits some role in his life perfectly. But since Larry is on the receiving end of this powerful Neptune force, it is also possible that he could fall into an idealized picture of Sergey and never really know what he is really like.

Larry will tend to idealize Sergey in one or more ways. This will help Sergey always feel appreciated. He will notice that Larry always seems to see the highest in him, always say good things about him, and always seem impressed with his work or performance. This can be a good thing in that it will encourage Sergey to actually do his best and try to meet up with Larry's standards. It will also help in that Larry will usually feel good about Sergey and keep thinking that Sergey is going to do his best in every situation.

The downside of this connection is that there can be some illusion in the relationship. In some cases there can even be intentional deception. Larry must be aware of his tendency to turn a blind eye towards Sergey. The more Larry can become aware of his tendency to idealize Sergey, the less chance there will be a negative expression of this connection. But if Larry does not take time to take stock of how Larry is painting a rosy picture of Sergey, he could completely miss things about Sergey that are important. Larry would tend to see the weaknesses and faults of Sergey and thus could suffer the

### The First Connection Between You

Larry

Sergey

consequences of that. Also, if Sergey was so inclined, he could completely deceive Larry and take advantage of the situation. It would be easy for Sergey to perpetrate a scam on Larry, for example. And this is mostly because Larry would just not see it coming.

So, if both parties can keep these caveats in mind, this can be a very helpful and productive business association. It can especially elevate Sergey to reaching higher ideals in his work and behavior.

Affirmation for Sergey: I realize the way Larry tends to idealize me and I consciously direct our activities together in positive directions. I realize that I may not be all of what he thinks I am, but I am encouraged by his seeing the highest in me. He inspires me to reach my full potential and for this I am grateful.

Affirmation for Larry: Sergey reveals to me some of my deepest ideals and in many ways he fulfills them. I use his influence to inspire me to do my best and to reach my fullest potential. I am grateful for Sergey's presence in my life.

### The Second Connection Between You

Larry

Sergey

Larry is the Saturn Card to Sergey

Location: Spiritual Spread

This connection that is very constructive and helpful in any business relationship. It is also one of the 'instant recognition' aspects, which adds an element to the compatibility of Larry and Sergey that is unique. They will feel some familiarity when they first meet and this will add some enjoyment to their working together. In astrology, Saturn governs the areas of career and reputation. It is also called the planet of bad karma. Saturn is usually associated with hardship, restriction, losses and difficulties of all kinds. However, a Spiritual Spread Saturn connection does not usually have the negative expressions of Saturn.

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

## *The Second Connection Between You*

Larry

Sergey

In this relationship Sergey is the one receiving the Saturn influence from his. Normally, this would cause Larry to become very critical of Sergey, constantly finding fault with what he is doing. But in this connection, from the Spiritual Spread, Larry is more likely to be an encouraging influence to Sergey. Larry will probably not be critical in any way, except to offer advice if Sergey asks for it. And that likely will be the case. In this relationship, Sergey will probably see things in Larry that he wants to emulate or attain for himself. So, it could be very likely that he would ask Larry for advice or suggestions, or that their association would be such that Larry's giving these to Sergey would happen on a regular basis, and without any resentment from Sergey's side. Thus, this connection could be very helpful without the friction that occurs with Saturn connections in the Life Spread.

Larry may feel, on some level, an obligation to offer support and constructive advice to Sergey. But he will not feel compelled to give it so much as to make himself available should Sergey require it. Just Larry's presence in proximity to Sergey will give him some inspiration to do a better job or to set higher goals in work related areas. Larry could become a role model for Sergey without even trying, or without knowing it. Both parties will sense that there is something good, constructive, and 'right' about their working together. The last part is that indefinable element of this connection. There is something, on the subconscious level, that makes both Larry and Sergey feel as though they are supposed to be interacting in this capacity. This does not mean that they feel that they should be together forever by any means. But they probably feel that their working association is very appropriate and important, and for reasons that they just cannot put their fingers on. It just feels as though it was meant to be.

So, this connection will add a lot to their association, but particularly to Sergey and his ability to make constructive changes that will enhance his success and reputation. Both will enjoy the exchange, however, so it really does benefit all concerned.

Affirmation for Larry: I understand that I have the ability to see ways of

### The Second Connection Between You

Larry

Sergey

improving Sergey's performance and overall success and I share suggestions with him with the awareness that I have a powerful effect on him. I am honored to be his role model and teacher at this time in his life.

Affirmation for Sergey: I realize that I chose this relationship with Larry to help me grow in important areas of my life. With that in mind, I accept his suggestions and example so that I may learn and make progress in becoming a more successful and well-regarded business person.

### The Third Connection Between You

Larry

Sergey

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Sergey is the Jupiter Card to Larry

Location: Life Spread

This is a wonderful connection that is often found among the cards of happy and productive business relationships. It is probably one of the best two people in business can have. But it helps all relationships. One of the main benefits of it is financial. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more electromagnetic energy than it receives from the Sun. It's location, in our natal astrological chart, always points to some area of our life where things come easily to us and where we have many things to be thankful for. In this relationship, Larry has much to be thankful for, thanks to Sergey, because he is a Jupiter influence in Larry's life.

The benefits of this connection may take many forms but they are often of the financial nature. For this reason, this is an excellent connection for business partners. It would be especially good if there is another connection between them where Larry is Jupiter to Sergey, or if there exists a mutual Jupiter connection. But even one is a good auger of business success, unless other connections contradict it. Even though as a pair Sergey and Larry may not be wealthy, Sergey definitely enjoys giving things, including money, to Larry. This natural inclination to give is one of the signs of prosperity

### *The Third Connection Between You*

Larry

Sergey

consciousness. Therefore, even if great prosperity does not exist between them now, it could lead to that in the future. This tendency towards financial success will be increased if Larry expresses and feels appreciation for Sergey. Appreciation is one of the most important keys in obtaining prosperity. If Larry will allow the appreciation engendered by this connection to grow, and if he expresses this verbally, this relationship could bloom into a very fulfilling business relationship.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Sergey may provide beneficial guidance and inspiration to Larry. Essentially he will have a natural desire to give whatever he has that Larry values. If Larry wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

This connection increases the overall compatibility between Sergey and Larry regardless of what their exact roles are together. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds for others in the past. It is a sign of good fortune and if harnessed in the ways mentioned above and provide the prosperity that will ensure an abundant and happy connection.

Affirmation for Sergey: I am glad to be a benefit in Larry's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Larry must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Larry: I am grateful for the presence of Sergey in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply the benefits and enjoy this connection.

## The Fourth Connection Between You

Larry

Sergey

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Larry and Sergey are Mars to each other

Location: Spiritual Spread

This powerful Mars connection will cause a lot of energy to be exchanged between Larry and Sergey. Because it is Mars energy, the reasons and ways that it can be expressed can vary, but they are nearly always dramatic. Mars can either be expressed as passion and productive activity, or as anger and hostility. Either one or both of these sides may be expressed in this relationship between Larry and Sergey and it is largely up to them as to how this connection will affect them.

There is something familiar that Larry and Sergey feel about each other. It is a stimulating feeling. If both are single and available, this connection could create a strong sexual attraction that could lead to an affair or relationship. If not, these two will have to keep busy together to find a suitable outlet for this energy. This is a great connection, for example, for working situations. It is ideal for working partnerships of all kinds. However, care must be taken to not let this become too competitive. Putting Larry and Sergey directly at each other in a competitive sense would probably cause more harm than good as this connection increases the likelihood that the two would become overly hostile towards each other. It would be far better for these two to work on a project together where they share a common goal or a common problem or enemy.

Regardless of how Larry and Sergey are associated, they can consciously transform and use this energy to their advantage if they are willing. Mars relationships represent a great potential that must be consciously taken advantage of. To do this requires two things. First they must consciously engage themselves into positive activities together. Physical activity together will funnel off much of the negative part of Mars. The more shared physical exertion the better. Next, they both must be willing to work on their anger and blame, if that comes up. Beneath all anger is a fear of one kind or another. If they examine their feelings when they become angry with each other, they will be able to find the fear that lies beneath it. In the event of excess hostility,

### *The Fourth Connection Between You*

Larry

Sergey

some form of self-awareness will be key to dismantling the problems. Mars in its worst aspect is blame and righteous anger and retribution. To avoid that, Larry and Sergey must be as self-conscious and honest as possible. Communication skills of an interpersonal nature are invaluable.

Affirmation for Larry: I am aware of how much I stimulate Sergey and understand his feelings because I can see how Sergey affects me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Sergey: I accept Larry as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This association represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

### *The Fifth Connection Between You*

Larry

Sergey

Larry is the Uranus Card to Sergey

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

This connection can be good for most any sort of relationship. It is not necessarily recommended for business associations, however, because of its strong freedom aspect. Generally speaking, in the business world, success depends on employees and coworkers being on time and consistent. The freedom aspect of this Uranus connection may hamper Larry's ability to show consistency to Sergey. Keep in mind that this will only be from Sergey's point of view. Larry may actually be very consistent and reliable in every other aspect of his work, and to everyone else in the company. But to Sergey, he will come off as unpredictable, erratic, or unreliable.

However, because this is a Spiritual Spread connection, this tendency by

### *The Fifth Connection Between You*

Larry

Sergey

Larry will not necessarily bother Sergey at all. There is likely to develop a strong friendship between these two and the terms of that friendship will allow both Larry and Sergey to be themselves. Thus, this connection does not suggest any friction between them on account of Larry's unpredictable behavior.

It also will not be possible for Sergey to place huge demands or restrictions upon Larry. But again, Sergey will probably not even want to. There is a mystical sort of energy about this connection that gives both people the desire to extend freedom to each other, freedom to be themselves and to express their individuality. For this reason, this would be an ideal connection for two people involved in the arts in any way, or some form of creative work.

The Uranus connection often provides a psychic link between people. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other and they 'click' in unusual ways that other people would find hard to understand. It also often creates a deep sense of true friendship with unconditional acceptance. It is really a wonderful thing when a Uranus association is working well. Both people are relaxed and unconcerned as to whether or not they will see the other again or not. They both are aware of their friendship and that is enough. Whatever time they do spend together is enjoyed, and becomes another chapter (and adventure) in the book of their friendship.

Affirmation for Larry: I realize the importance of the freedom that Sergey extends to me. I feel fortunate to have him in my life because I am able to really be myself with him. I will express my appreciation to him so that he knows how I feel.

Affirmation for Sergey: I allow Larry to be completely free to be himself. In this way, I am creating an association based upon true friendship and unconditional acceptance.

## The Sixth Connection Between You

Larry

Sergey

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Sergey is the Venus Card to Larry

Location: Spiritual Spread

People who share this connection usually have an instant liking for each other when they meet. This is one of the highest compatibility connections found and guarantees that even though Sergey and Larry may have many differences in their personalities and characters, they will still probably really like each other and have a lot of ease in working together. They could even become friends outside of work very easily.

In this connection, Larry is affected by it stronger. He will find that he feels very comfortable with Sergey, tends to trust and him, and can work with him harmoniously without much effort. The level of trust engendered by this connection is a great help to working partnerships or any other sort of working association. Both Sergey and Larry will have similar feelings towards each other as a result of this connection.

This connection also supports financial gain and prosperity. Each will do better, financially, working together than they would do on their own. The sense of ease between them supports having more of all the good things in life. This sense attracts money to them and the work they do. Their harmony together can act like a magnetic attraction upon others that meet them.

Even if other, stressful aspects are present, this connection has the ability to remedy most problems, especially if it is one of the first three connections found. The more that Larry appreciates Sergey, the better they will do because this connection acts as a self-generating machine of good things for both of them. Mutual appreciation is even better.

Affirmation for Sergey: I feel very comfortable with Larry, with whom I share some kind of deep and timeless friendship. I appreciate our compatibility and trust, as that helps both of us do better in our work.

Affirmation for Larry: I experience a lot of appreciation for Sergey that helps us work together well. I cannot explain why I tend to trust and admire him but

the desire to extend freedom to each other, freedom to be themselves and to express their individuality. For this reason, this would be an ideal connection for two people involved in the arts in any way, or some form of creative work.

The Uranus connection often provides a psychic link between people. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other and they 'click' in unusual ways that other people would find hard to understand. It also often creates a deep sense of true friendship with unconditional acceptance. It is really a wonderful thing when a Uranus association is working well. Both people are relaxed and unconcerned as to whether or not they will see the other again or not. They both are aware of their friendship and that is enough. Whatever time they do spend together is enjoyed, and becomes another chapter (and adventure) in the book of their friendship.

This connection doesn't have a major impact on a relationship in a personal sense. But it can be important in business relationships. Because it is one of the universal or cosmic connections, it has more to do with how these two connect in relationship with the world around them and the work they do. Specifically, Sergey is a reminder to Larry of how he has, or could have, an important role to play in terms of helping mankind through his work. This is about Larry's career and role in the world. If he is not career-minded at all, then Sergey's influence may just have some implications about whatever role he is playing in his life, as seen by others. For example, if Larry is not career oriented, Sergey may just might just be a sort of role model for what Larry could do with his life, either personally or professionally.

Sergey could be involved in a kind of work or playing a role in his work that is something that Larry is destined to do at some point in his future. There will be something about what Sergey does or how he does it that will be a reminder to Larry's highest potential, and possibly his destiny.

But in all cases, Sergey's presence in Larry's life is telling him that he should be doing this or that - essentially things that will both improve Larry's life as well as help others through his contribution to them. This information could be very helpful for Larry if he is searching to find his purpose, or to decide what kind of role would best fit him.
