## *How to get the most from this Relationship Report*

*The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.*

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

### *All about Zooey's Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Ten of Diamonds Person

The Blessed Card

This card sits in the very center of the Grand Spread of cards, protected on all sides by Jupiter's blessings. It is THE card of material opulence though few of them actually achieve this reality. However, all of them are protected financially and will always have a certain amount of good luck. To achieve their highest potential, they need to be involved in a business, preferably their own. They have the know how to manage and run a business of any size. Many of them inherit or marry into wealth.

With so many blessings, you might expect them to be generous souls, but that is not always the case. Many of them simply direct these blessings to the acquisition of more money and some of them even become ruthless in this regard. Others, however, pay heed to their Queen of Clubs Karma Card, the card of intuition and service through knowledge, and devote their talents and resources to helping the world. All tens are in danger of becoming overly fixated on 'accumulation' of things related to their suit. For the Ten of Diamonds, this would manifest as a money fixation. Some Ten of Diamonds can be very selfish.

With their creativity and intelligence, they are always successful in whatever they undertake. Usually this power is directed towards business and gain and there is no size of business or financial enterprise that they cannot handle. If they develop their spiritual awareness, their later years will be filled with expansion of their mind and soul instead of doubt and indecision. Many find an artistic avenue of expression in their later years, which brings many rewards.

Some of the Ten of Diamond Issues Concerning Relationships

Ten of Diamonds have a strong desire for love and relationships and also some karma from past lives that must be discharged through one or more

difficult divorces or separations. They bring into this life some karma of having been the one who left another unfairly and unlovingly. In this life, they are likely to receive the same treatment from another, often the same person they were with before.

They want love and are usually the one who initiates new relationships. It is their own emotionally restless nature that must be dealt with before they can have a successful marriage. They often find themselves in situations where they must sacrifice their own need for affection for higher reasons or to help others in need. They are learning to love themselves and the child within. Finding that relationship within brings them more fortune in other relationships as well.

The female Ten of Diamonds should not let relationships come before her work and career, except in few cases where there is great compatibility. There always seems to be great burdens associated with romance and marriage.

## *All about Zooey's Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Five of Hearts as Your Planetary Ruler

Regardless of what your Birth Card is, you are a restless person who is seeking to learn about love through direct experience. For this reason, you may have many relationships over the span of your life. You may also seem to avoid commitments on an emotional level, as these may hamper your ability to get all of the experiences that you desire. Freedom is a very important word in your vocabulary. However, you may even get married, though few with this card do. If so, you are doing it for what you can learn from the experience more than anything else. You probably love to travel and have gravitated towards things and occupations that allow you the freedom to do so. You have some common sense about money and organizational ability that help you keep an ample supply of money on hand at all times. But essentially, you are a free spirit who loves to meet new people and have new experiences.

### *All about Emily`s Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Jack of Clubs Person

The Mentally Creative Card

Creative, dishonest, or a mixture of both? As we can imagine, those who are the most creative can also be the most dishonest and vice versa. Here is a card of mental and financial creativity and these people are no lazy bones. Their brilliant minds are far ahead of the common person and society. They are the people of the Aquarian Age, being neither entirely male nor female. They are progressive and on the cutting edge of the evolution of our society and world.

As members of the royal family they dislike pettiness and tend to be somewhat impatient with the failings of others. They need respect and a position that allows their brilliant minds free reign to create and explore. They are never at a loss for ideas, some of which will bring them huge financial returns. On the negative side, the Jack of Clubs can be irresponsible and in some cases, dishonest. They can see things from so many levels that nothing is really 'wrong' - it is just another way of looking at things. And they can make up a story so fast that they can explain away practically anything. They don't get away with much in that regard though. Saturn's hand always reminds them of the boundaries that keep them balanced and fair. The trouble comes when they start believing their own stories, departing from reality a little too far and creating a lot of hardship before getting back on course.

They are essentially good and giving people. Even though they are argumentative at times, they are loving and friendly to all they meet.

Some of the Jack of Clubs Issues Concerning Relationships

Such a strong and fixed mental approach to life can have its share of challenges for the Jack of Clubs. Mental approaches don't always work in the realms of love. However, these people do not have particularly bad karma in this area. They need someone who is their friend first, and who will allow

them some freedom to do and be themselves. If they have this, they are faithful and devoted. The men are excellent lovers and the women excellent companions.

They often have to contend with the ill health of a loved one, or their own health problems that are rooted in some emotional conflict. In most cases their health issues are related to some emotional cause, whether it be family or lover related.

## *All about Emily`s Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Seven of Spades as Your Planetary Ruler

This ruling card adds strength to your personality and gives you a certain amount of good fortune, especially in the areas of home and family. You may feel that you have a blessed marriage or relationship, or that many good things have come from your parents. Health concerns may play a major role in your life and you may be accident-prone. The Seven of Spades encourages us to have faith in life, in spite of whatever circumstances we may find ourselves in. In this regard, you may find yourself tested many times. You are probably attracted to those of intelligence and wit and with a bit of luck, you could marry one of them. Financial security is something that will only come through hard work.

## *All about the Card Connections you share*

*Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.*

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

## The First Connection Between You

Zooey

Emily

*Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.*

Zooey and Emily are Venus to each other

Location: Life Spread

This is one of the better connections for any sort of relationship and guarantees a certain amount of compatibility between Zooey and Emily. The closer this connection is to being first, the stronger is the compatibility factor that is enhanced by this connection. In essence, this connection tells us that Zooey and Emily share many of the same likes and dislikes. This means that they have a lot in common and makes it relatively easy for them to be together. As a matter of fact, this connection is not common. People who share it are fortunate and probably each have some good karma from a past life to account for meeting someone with whom they share this connection. Zooey and Emily have a lot to be thankful for, in terms of what this relationship can be to them.

Whether their relationship is as business partners, friends, or family members, this connection brings a lot of what it takes to be together in a compatible fashion. Though other connections may bring stress into this relationship, this connection will go a long way to smooth out any areas of difficulty.

This is a mutual connection which is wonderful because the friendship and appreciative energy of Venus is flowing both ways between Zooey and Emily. Each receives good feelings from the other while at the same time having good feelings of their own about the other. Regardless of what other connections they may have together, we know that there are things that they have in common. They probably enjoy similar interests and like to do similar things that are fun or enjoyable in some way. They probably enjoy the same kind of music, recreation, television shows and other forms of entertainment. If they realize this, they can use this information to great benefit. Whenever they get into disagreements or conflicts, all they need to do is remember all the things that they have in common and focus some of their attention on them. This 'shifting of their awareness' can be used to mend any fences that may come between them.

So, just what will Zooey and Emily do with a relationship that has

'double blessings'? The foundation is there to create most anything that they want. The rest is entirely up to them.

Affirmation for Zooey: I truly appreciate having a person in my life with whom I have so much in common. Emily is someone I could be a friend for life with because it is so easy to be with her.

Affirmation for Emily: Life with Zooey is very comfortable and easy on many levels. I am grateful for the many things we share and have in common.

## The Second Connection Between You

Zooey

Emily

Zooey and Emily are Venus to each other

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is one of the truly blessed connections in terms of the compatibility of two people. What it implies first of all, is that Zooey and Emily were together in a meaningful way in a former lifetime. During that lifetime, they were in a significant relationship. It could have been best friends, father/son, mother/son, mother/daughter, etc. or some other significant connection. The important thing is that Zooey and Emily were very close in that lifetime and spent a lot of time together. Over the course of their relationship, they met with many challenges and overcame them with friendship, patience and perseverance. They developed a deep admiration for each other by having shared so much. That lifetime together created much good karma for each of them in the area of relationship because each of them made sacrifices for each other and maintained their relationship with a high degree of integrity and commitment.

As a result, when they first met in this lifetime, they recognized a certain familiarity and also noted the ease of being together. Though they are unable to remember their previous life together, the feelings remain for each other on a soul level. When they engage in any sort of relationship in this lifetime, they

find that many of the elements that most people have to work hard to develop, such as trust and appreciation for each other, are already present for them. In essence, they already have a good foundation upon which to build any sort of relationship.

This connection is one of the 'instant recognition' connections. But this one is even better than most because it is a mutual connection. Mutual means that both people experience the influence equally. This has the effect of doubling the influence, and in this case, the influence is very favorable to begin with. Zooey and Emily will find that this relationship is fairly easy, unless other connections strongly contradict. If this connection is between their Birth Cards, the compatibility between them is guaranteed.

As a result of this connection, Zooey and Emily already have a great deal of mutual respect, appreciation and good feelings for each other. In some cases, these feelings may be hard to explain because the two people involved may not actually have a lot in common. This connection can help show Zooey and Emily just how mutual appreciation can overcome all differences. There are cases, however, where two people with this connection just cannot be together in this lifetime for any length of time. The differences in their lifestyle, or life direction are so great that one of them would have to give up too much to make it work. The friendship is there, along with the understanding that this relationship wasn't meant to happen in this lifetime, or perhaps it will happen later in this lifetime after each has fulfilled some important work they are doing. This friendship between Zooey and Emily will remain with them forever - through this lifetime and on into the future. That may be why so many people with this connection feel that they are soul brothers or sisters. The truth is that we have these connections with many people, but we will probably only choose to hang out with a few of them at most. Hopefully Zooey and Emily have enough in common that this will be the case for them.

Affirmation for Zooey: With Emily, I experience a love that is true and timeless. I am learning that true friendship transcends all boundaries that exist

between people and am gratified by being with her. I am truly grateful for this special relationship and consciously choose to expand this connection we share.

Affirmation for Emily: There is an appreciation I feel for Zooey that is hard to explain, and yet feels so right. I appreciate her presence in my life and welcome the opportunity to be together and experience this friendship we share.

## The Third Connection Between You

Zooey

Emily

Zooey is the Venus Card to Emily

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This is a wonderful connection for any kind of relationship and guarantees that Zooey and Emily can be good friends at the very least. The fact is that they both have a lot in common. This gives them many things that they can share and do together. It is a wonderful sign of compatibility and adds a lot to the potential of this relationship to be successful.

In particular, Emily finds many things to like and enjoy in Zooey. Even though she may get mad at her at times or irritated by things she does or says, there is an underlying current of friendship that is always there that Emily can tap into and experience at any time. This essential compatibility helps them be 'friends first, everything else second' in their relationship. This 'friends first' attitude will help them when conflicts arise. It will allow them to let go of personal demands in order to be a friend to the other. This can have a powerful positive effect on the relationship and allow them to resolve difficulties in a relatively short amount of time.

It is also very likely that Zooey and Emily have a similar, if not the very same, set of values. This means that they give importance to similar things in life. They may have similar life goals or directions, or merely like the same kinds of pleasures and pastimes. This gives them a certain amount of pleasure

in just being together as they have so much in common and tends to create positive associations between them that will draw them together again and again.

Put all of this together and we can see that Zooey and Emily have very good chances of success as friends, associates or whatever. Unless other connections between them conflict heavily, this one connection alone can be a guarantee of high compatibility. To get the most out of this connection, Zooey and Emily only need to remind themselves from time to time of all the wonderful things they share and focus on those things.

Affirmation for Zooey: I enjoy my time with Emily, with whom I have so much in common, and enjoy being appreciated so much by her. I think we could be friends for life.

Affirmation for Emily: I appreciate all that Zooey and I have in common. It is the many things that we share that make our time together so enjoyable. I express my gratitude for Zooey's presence in my life.

## The Fourth Connection Between You

Zooey

Emily

Emily is the Uranus Card to Zooey

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom in one or both of the partners or friends. But in this relationship, Emily and Zooey have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in any relationship. This can truly be a relationship 'of the future', where both Emily and Zooey respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

### *The Fourth Connection Between You*

Zooey

Emily

In this particular relationship, Zooey is on the receiving end of most of the Uranian/Aquarian energies of this connection. This means that she is the one who will most likely have to let go of any personal needs to have Emily behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they like us, will associate with us, or can be counted on to be there when we need them. Uranus does not support having any expectations of our partner. If Zooey is someone who requires a lot of reassurance, or who has a strong need for Emily to be someplace at an agreed upon time and place, Emily will be a real test for her. Even though it probably will not be intentional, she will do things unexpectedly, come and go as she pleases, or act in other ways that could make Zooey feel uncertain.

For this reason, this is usually not the best relationship connection for a business partnership. It works great in friendships or between family members where there is no money at stake, but business success often depends upon punctuality and promises kept, something that this connection does not support that well.

If this is a parent/child relationship and Emily is the child, this can also be difficult in some ways. Parents generally feel as though they should be the guiding principle in the lives of their children and that their children should do as they tell them. However with this connection, Emily will resist being told what to do or at any attempt to be controlled by Zooey. This can cause Zooey to try even harder to help, or control Emily, causing a lot of friction between them. In this case, it is highly advisable for Zooey, the parent, to abandon all attempts to teach, guide, lead, or control their child and realize that they need to be friends first. Emily will get all the instruction and help she needs elsewhere.

We generally attract a Uranus friend, family member or associate just to learn the lesson of non-attachment. And that could be the underlying reason for this relationship from Zooey's point of view. If Zooey is having any difficulty along these lines, it would be wise for her to examine this level of attachment to or need to control Emily.

### *The Fourth Connection Between You*

Zooey

Emily

In other cases, Uranian relationships are just true friendships. Both partners have their own lives, jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some partners or friends really like this kind of relationship and it fits them very well. This may be one of the most paradoxical kinds of relationships. To have it, you have to give it up. And we can never predict just when or how these two will be together as Uranus is the planet of the unexpected.

So, exactly how this relationship develops will depend a lot on what both Emily and Zooey want from their being together. This will be especially important for Zooey since she is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between Emily and Zooey, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

Affirmation for Emily: I realize the powerful effect I have on Zooey. Though I will never allow her to control me or dictate my actions, I will express my appreciation of her so that she knows how I feel.

Affirmation for Zooey: I allow Emily to be completely free to be herself. In this way, I am creating a relationship based upon true friendship and unconditional love.

## The Fifth Connection Between You

Zooey

Emily

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Emily is the Cosmic Lesson Card to Zooey

Location: Spiritual Spread

From a past life of being together, Emily has returned to Zooey in order to play an important, but subtle role in her life. This role will help Zooey find herself and her life's work if she is looking for these answers. This represents a karmic debt that Emily must repay in order to fulfill her own aspirations. Somehow, Emily will be able to help Zooey realize her highest potential. At the least, Emily's presence in her life will act as a sign to point her in the right direction, a direction where Zooey may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the way they feel about each other unless the subject of Zooey's most important issues revolve around her purpose and career. In that case, Emily may find herself reminding Zooey of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Zooey may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Zooey, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Zooey is aware of her own personal need to accomplish some important goal in life, she will find Emily to be a helpful influence in this regard. She may even be doing the kind of work that Zooey is wanting to do, or is destined to do. They may be able to share this work. In other cases, Zooey may not be career-minded at all and Emily merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Emily or Zooey to be conscious of it. However, Emily's presence is a lesson to Zooey on some level and the more she is aware of this, and then acts upon what she is receiving from her, the sooner Zooey will elevate herself in respect to

whatever roles she is playing in her life.

Affirmation for Emily: My awareness of how I am a reminder to Zooey of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Zooey: I am grateful for the presence of Emily in my life. She reminds me of what I can do and become in a way that inspires me to achieve my highest potential.

### The Sixth Connection Between You

Zooey

Emily

Emily is the Neptune Card to Zooey

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Each of us has a card or two in our Life Spread that represents a person who, on some level, matches up with some of our innermost dreams, visions, and fantasies. When we meet someone who is our Neptune Card, we are put in touch with some of these fantasies or dreams. The Neptune connection is the symbol for this 'other worldly' experience that we can have with some people. This connection can stimulate some powerful subconscious feelings and experiences and it is very helpful to understand how it works. On the negative side a Neptune person can deceive us or we can deceive ourselves about them. Thus caution is in order whenever we meet our Neptune Card. On the positive side a Neptune person in our life can be a stimulus for the awakening of important dreams or visions, ones that could help us find a deeper purpose for our lives. We will tend to see the best in anyone who is our Neptune card and this picture we hold of them can inspire them to do great things.

In this relationship Emily is Zooey's Neptune Card. Emily stimulates these Neptune energies in Zooey and helps her get in touch with things that she may have never experienced with anyone else before. But since Zooey is on

### *The Sixth Connection Between You*

Zooey

Emily

the receiving end of this powerful Neptune force, it is also possible that she could fall into an idealized picture of Emily and never really know what she is like.

The old saying goes that 'if something appears to be too good to be true, it probably is'. This saying applies directly to Neptune relationships. On most levels this connection can be harmless and interesting, especially for Zooey. But if Emily seems to fit some role for Zooey perfectly, then caution is advised. What Neptune does is stimulate what we secretly want in such a strong fashion that we will immediately turn a blind eye to the person and any other traits that do not match our vision of them. In effect we dress them up and put them on the stage of our life to play a role that is very important to us. But in many cases, that is all that it is, a role. In some cases the person we have put on that stage doesn't even vaguely resemble the person we want them to be. This is something that Zooey may want to take a close look at.

Another side effect of this connection is that if Zooey is really attached to the fantasy or dream that Emily plays, Emily will know this and could use it to her advantage by allowing the illusion to continue to forward her personal goals or desires. When we are someone's Neptune card we seem to hold a spell over them. The other person is so caught up in who they think we are that it is very easy for us to deceive them.

This connection is good for friendships and business associates as long as these things are kept in mind. In family situations, the person receiving this Neptune energy will most likely have a rose-colored view of the other. This can be good or bad depending upon the individuals involved. For example, the mother whose child is her Neptune card would never be able to see any faults in them, even when the child gets into serious trouble because of some character flaws.

In Neptune relationships there is usually a strong psychic link between the two people. They often know each other's thoughts and can even second-guess each other's needs, ideas, and desires. It can be a dream come true, as long as the projected fantasies or deceptions are not the main thrust of their being together.

### *The Sixth Connection Between You*

Zooey

Affirmation for Emily: I realize the unusual power I hold over Zooey and consciously direct our activities together in positive directions. Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Emily is the Cosmic Reward, or Blessing, Card of Zooey's. Therefore she is the one who is receiving this blessing and reward energy from Emily and this connection affects her the most.

Just how Zooey will experience this connection will be directly affected by her attitude and the measure of her own consciousness about her life. If she is someone who has learned a lot about herself, both her gifts and her challenges, then she will probably experience Emily as an important blessing in her life that she derives much pleasure and happiness from. If, on the other hand, Zooey is still getting to know herself and hasn't yet dealt with the

challenges and changes that are represented by her Pluto Card in the Life Spread, she probably finds Emily to be a great challenge in her life, someone who seems to confront her often, or remind her of what she may become, but is not. It is important for Zooey to become familiar with the meaning of her Pluto Card and how that represents some of the internal changes that she will have to make in this lifetime in order for her to fully understand her relationship with Emily. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Emily is influenced by this connection in that she is encouraged to give of herself to Zooey. She naturally wants to give to and share with Zooey all of the things that she feels are blessings in her own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which can become one of the foundations for a beautiful and long lasting friendship or other relationship. However, for this to happen, Zooey must express the appreciation she feels for Emily's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Zooey is still wrestling with some of her own basic personal issues. However, Zooey may sense the importance of Emily anyway and be acting on instinct in her attraction for Emily. It really doesn't matter in one way of looking at it - if Zooey stays with Emily long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are blessed in every way. So, this is the potential for Zooey in this relationship and for Emily as well if Zooey allows these influences to be appreciated. And

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.*

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense a familiarity that goes beyond normal descriptions. It is as though we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. People who have this connection often experience instant recognition of each other. Because they had been together before in a meaningful way, there is a certain sense of easy communication when they meet, even if they have never seen each other before in this lifetime. This connection provides a foundation upon which any sort of successful relationship or partnership can be developed.

In this relationship, Zooey is a Moon Card influence to Emily. Her presence in Emily's life is a comfort that soothes her. She provides Emily with

nurturing support and a sense of foundation, stability and settledness. Emily, on the other hand, brings many good things into the life of Zooey. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship and for Zooey's life in some way. Whether they realize it or not, Emily is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

Keep in mind however, that this connection only supports partners or friends and associates who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended or had a lot of difficulty because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Zooey is not willing to be the helpful, supportive, and nurturing person in this relationship, or if she is unwilling to take the back seat to Emily in key situations, this relationship may not last. Likewise, if Emily is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely. Keep these important roles in mind because they will be the overall determination of whether or not this relationship is a success.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Zooey and Emily are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Zooey: I am very grateful for Emily's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I appreciate our great communication and enjoy providing support and help to Emily. The exchange of energy between us is very satisfying.

Zooey is the Mars Card to Emily

Location: Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for friendships and partnerships. This connection tells us that Zooey and Emily have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Zooey and Emily will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Zooey is a strong stimulant to Emily. She will either excite her into action of some sort, make her angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Emily will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, working out, or working together in a business.

Of course, there is a possibility that Zooey and Emily were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility between them. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into understanding and friendship. Other connections between Zooey and Emily may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other. Sometimes people with this connection are immediately drawn towards each other in a positive way, but within a short period of time realize that they have feelings of animosity for each other. Some of these fated kinds of relationships can be the most important in our life. Forgiveness is a key to resolving and dissolving any of these negative emotions which have spilled over from the past.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, many friends who have successful working relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Zooey and Emily will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Emily is probably the one who allows Zooey to anger her. Because Zooey is her Mars Card, she is the one who is reacting to Zooey as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Emily and she probably chose Zooey to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Emily may be affected a little more since she is the one receiving most of the Mars energy. If Zooey and Emily take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Emily: I accept Zooey as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.
